The Universal Language of Love

• Condoms • Lubricants • Vibrators

Around the world, in over a hundred countries, love speaks one language – Durex.

Universally used by present-day couples to take their lovemaking to newer and newer heights. Because they realize that great sex and sexual well-being are, after all, the key to a more fulfilling relationship.

This is also why Durex offers you everything you'd expect for the finest sexual experience, and even a little more. Through condoms, lubes and vibrators, the Durex range is designed to stimulate, arouse and awaken you to unexplored areas of ecstasy.

So remember, whatever your route of pleasure, Durex not only takes you to your destination, but also makes the journey unforgettable.

Durex Play

Pleasure enhancing accessories

Sex is joy. Sex is laughter. Sex is fun.
And lubricants and vibrators are the
words of play.

The Durex Play range allows you to experiment with touch, feel and taste. Since nothing is forbidden in a loving, caring relationship. In fact, infusing a little confidence and enjoyment develops it into a happier, healthier one.

So go ahead and travel where your desires and thoughts take you. Explore, wander and try out intense sensations with wands, lubes and massage vibrators.

Pick up Durex Play, and start the game.
The field of imagination is open.

Durex Play Sensations Lubricants

Sometimes the language of love speaks a different tongue.

Durex Play Sensations is a collection of single-use, touch and taste lubricants. It takes your experience to a whole new orbit of pleasure and brings a never-before naughty flavour to your intimacy.

Durex Play Sensations blends completely with body fluids. Moreover, they are water-based and easily washable after use.

Discard pack after single use along with unused portion if any. Durex Play Sensations Lubricants are biologically inert and do not contain any spermicidal or toxic ingredients.

Why Play Sensations Lubricants?

For all those times when you're ready but she isn't, Durex lube is at hand. After all, love talks both ways.

Add a little lube to your partner's erogenous zones to banish vaginal dryness or to even experience the delightful difference in oral sex.

At the same time, or at another, put in some fruity flavour to your kissing and experiment with adventurous positions.

- 10 assorted single-use sachets of silky smooth lubricants
- Durex Play Warming gently heats the skin when you blow on it
- Durex Play Tingling creates a sensual, mild and tingly sensation
- Durex Play Soothing contains Aloe Vera – known for its skin-soothing properties
- Choose from Cherry and Pinacolada flavours

Durex Play Vibration

Feel the vibes of love.

Durex Play Vibration offers up to 20 minutes of quivering, fantastic friction.

The rhythmic pulse of this gently vibrating ring sends waves of knee-trembling stimulation exactly where you feel it most. Worn at the base of the penis, it can be positioned so both of you can feel its effects. Or, if you want to get playful, slip it over your fingers and let your imagination take over.

- Soft, flexible ring is comfortable to wear, easy to put on and take off
- Easily switches on and off
- Single-use disposable accessory that lasts for up to 20 minutes

Why play vibrations ?

Because there is everything to play for... In order to fulfill your sexual potential, to explore all your desires, you need to experiment, try something new.

How to use?

Play vibrations can be used with or without a condom

Step 1 - If using with a condom, please put the condom on first. Take the vibrating ring out of the pack.

Step 2 - Slide vibrating ring on penis with the vibrating band on the top side of the penis to stimulate the clitoris

Step 3 - Press the switch on top to start vibration. Press it again to switch it off.

Step 4 - Enjoy

Durex condoms

Durex condoms communicate sensual pleasure. And for over seventy five years now, each one of them has been stringently tested for quality so that it stands up to the heights of your passion.

A Durex condom is a joy to wear. And a joy to receive. Because it is designed to make sex more stimulating. And more invigourating.

Try out and yield in to better sex.

Durex PleasureMax

If peak arousal is what you are looking for, reach out for Durex PleasureMax. As you move against your partner, you stimulate a thousand more nerve endings. Maximize her pleasure with Durex PleasureMax – a condom packed with features for both the partners.

For her – Alternately positioned, raised dots and enhanced ribs for maximum stimulation.

For you – Anatomically designed, 'easy-on' shape to take the contours of the penis for a better fit and feel.

Durex Performa

Time spent together is the essence of a long and fulfilling relationship. Which is why Durex presents Performa – a condom that lets you take your own time with her. A condom with a special 'climax control' lubricant that delays the climax and prolongs sexual excitement for longer-lasting lovemaking.

Durex Performa contains a specially formulated lubricant called 'benzocaine' inside the condom to delay climax for the male partner.

Durex Sensation

Lovemaking is all about touch & feel. Explore the most sensitive senses and touch her in all ways possible. Let her feel you more with Durex Sensation – a condom with unique raised – dot texture to create extra pleasure and stimulation. Go ahead. It's time you touched her in places she's never been touched before.

Durex Superthin

Get Durex Superthin, a condom so fine that you barely feel it's there, yet provides strong touch for intensity and heightened pleasure. It's a gossamer-thin condom that's strong enough to give you uncompromising protection.

And Durex Superthin condoms are lubricated with Durex's specially developed gentle lubricant.

Durex Comfort

Comfort, they say is a state of mind. New Durex Comfort is an anatomically shaped condom that's so comfortable, it makes everywhere seem like a king-sized bed.

Durex Comfort condoms have a unique shape, the proprietary 'easy-on' feature.

This gives you a better fit and feel during lovemaking. Which means you get not just the protection you and your partner need, but also a new level of pleasure to lovemaking.

Durex Flavours

Show your taste for love. And sip its sweet rewards, in the flavours you choose to.

Presenting Durex Flavours condoms. Available in strawberry, banana and orange. To spice up your night.
